

REMARKS

Claims 42 and 43 are requested to be cancelled, without prejudice or disclaimer, and if such cancellation is permitted, Applicants reserve the right to include claims 42 and 43 in a continuing application.

The cancellation of claims 42 and 43, without prejudice or disclaimer, is within the authority of the primary Examiner, without submission to the supervisory patent Examiner for approval, see Manual of Patent Examining Procedure (M.P.E.P.) §714.16, p. 700-211. The cancellation of claims 42 and 43, without prejudice or disclaimer, will not affect any other claims since they are both dependent on claim 41, and no other claims depend from them.

Any fee due with this paper, not fully covered by an enclosed check, may be charged on Deposit Account 50-1290.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Michael I. Markowitz", written over a horizontal line.
